Staff Party Fetes Seven On Birthdays

Honoring seven employees whose birthdays occur within a 10-day period, March 16 to March 26, the business office staff of the Torrance Memorial Hospital entertained at a party Thursday evening at the home of Mrs. Gladys Davis, 1401 Amapola Ave.

Birthday celebrants were Mrs. Bessie Carlson, Lena Bailey, Olive Wittenburg, Marion Casey, Gladys Davis, Misses Gertrude Munsterman and Ruth Shuda.

In keeping with the season, the St. Patrick green and white colors were interspersed with spring flowers for party decorations.

A buffet supper was enjoyed, followed by the birthday cake. Group singing was the diversion for the evening.

Attending with the honor guests were Mrs. Mae Elliott Odell Lewis, Jeannette Madge, Carmella Burque; Misses Bertha Leopold, Jean Kresse, Betty Irvine and Martha Kaegel.

A guest was Mrs. Beth Green of Garden Grove, former employe at the hospital.

Las Vegas Holiday

Seen dining in the Cafe Continental at the Stardust Hotel, Las Vegas, were Mr. and Mrs. Fred Cochran, Jr. of 2630 Dalemead St. While relaxing at the resort they viewed some of the spectacular shows along the famed Las Vegas Strip.

Named to Office

Mrs. John E. Cantelon, 4009 Merrill St., Torrance, wife of the chaplain at University of California, has been elected first vice president of the USC Faculty Wives Club. Mrs. Cantelon and the other new officers will be installed at the May meeting.

Astro-TV-Lounge-rite

NEW! EXCLUSIVE!
by NATIONAL FURNITURE

Comfort Enjoyed by Astronauts
Now Available Right in Your Own Home

Here's the Story Behind this Chair Developed from Authentic Scientific Data*

The Astro-TV-Lounge-rite by National Furniture Mfg. Co., Inc., manufacturers of chairs for 42 years, is a recliner type chair. Data upon which this chair is developed is based on the Human Engineering Report as adopted by the Society of Aeronautical Engineers and the United States Army Air Force. The report originated from a program for seating in jet aircraft.

The Astronaut is shown here suited up and ready for his spaceflight. He is seated in Hangar 5 after pre-flight physical examination. Astronaut Carpenter was successfully launched from Cape Canaveral and became the second U.S. Astronaut to orbit the earth in his spacecraft Aurora 7.
